

For all visitors coming to Shirakawa-go by car

*Including taxis and rental cars.

Vehicle entry restrictions are enforced at the World Heritage Site Shirakawa-go Gassho-style Village in order to preserve the landscape of the village and to ensure traffic safety for all. We appreciate your cooperation and understanding.

30% of parking revenues are used for preservation activities in the World Heritage Area.

Tourist vehicles are kindly requested NOT to enter the UNESCO World Heritage area from 9am to 4pm.
